

About Us

We believe your home is a foundation of love, memories and warmth therefore we would like to help our clients stay at home for as long as possible with dignity and respect. We aim to deliver a truly inclusive, compassionate and person-centred social care in the comfort of your own home.

We pride ourselves in our well-qualified and dedicated workforce made up of health and social care professionals, healthcare assistants and support workers who are compliant with the Care Quality Commission's statutory regulations.

What Makes Us Different

Looking for a domiciliary care business that stands out from the rest? Look no further than our business! Our highly trained and experienced caregivers provide personalized care tailored to your unique needs and preferences, all while offering flexible scheduling and using technology to enhance your care. We offer a range of comprehensive services, including personal care, companionship, medication management, meal preparation, housekeeping, and transportation, all with a client-focused approach that puts your needs first. Choose us for compassionate and reliable care that will help you or your loved one live independently at home for longer.

Our Services

Personal Care:

We work with you to create a personal care plan tailored to your requirements to help you maintain your daily routine in ways that respect your privacy and dignity. Here's a more detailed list of the care we provide:

- › Helping you visit friends and family
- › Supporting you at family social events, such as weddings and birthday
- › Shopping trips to buy a gift or find an outfit
- › Days out to see the sights
- › Get-togethers to make new connections and friendships
- › Assistance with leisure activities.

Home Help Services:

It's often support with the little tasks and chores that make a big difference. Getting that helping hand with appointments, tidying up or prepping your meal, can take a weight off your mind.

- › Prepare your meals and do the dishes
- › Take you to the shops or help you what you need buy online
- › Clean and tidy your home
- › Wash and iron your clothes, and change your sheets
- › Manage and book your appointments including NHS appointments
- › Help organise direct payments and pay the bills
- › Liaise with third parties, such as plumbers, your local authority, couriers and dog walkers

Respite Care:

Respite care is short-term care that provides cover for loved ones or somebody's main carer when they are not available.

The different types of respite care we provide include:

Companionship

- providing emotional support, a friend to talk to, much-needed company or help with basic daily tasks

Personal care

- helping a loved one with washing, bathing, dressing and their personal hygiene routine

Specialist care

- providing tailored, specialist support to those living with a disability or condition

Home help

- helping around the home with light housekeeping or household duties.

Pet-friendly care

ensuring pets are also well looked after, including feeding, walking and help with veterinary appointments.

Medication assistance

- helping to monitor and administer medication and keeping up to date with prescriptions.

We understand that making the decision to invite a caregiver into your home can be a difficult one. That's why we offer a free consultation to help you determine if our services are right for you.
